25X1

[redacted] With respect to Sourwine's interest in whether or not Averell Harriman had written a report on his meeting with Khrushchev in which, according to Harriman, Khrushchev announced that he would be stepping down before too long, I advised that I was not in a position to discuss this matter, however, I directed him to Harriman's released testimony before the House Foreign Affairs Committee in which he touched on this point. Sourwine seemed satisfied with this.
